

AMTA-MAR Pre-Approved Provider Regional Co-Sponsored CMTE Policy

The mission statement of the AMTA-MAR Chapter notes that “The Chapter is dedicated to the promotion of music therapy and to serve members by providing services as a vehicle for professional growth and development” (AMTA-MAR Mission Statement). To this end, the AMTA-MAR serves as a pre-approved provider (#P-065) and co-sponsors CMTEs throughout the region in order to provide members increased access to quality continuing education opportunities.

Co-sponsorship is a benefit of AMTA-MAR membership. Therefore, it is available to those individuals who are members of AMTA-MAR. It is also available to State Associations that are affiliated with MAR.
